I would agree Brittany but I will let it be your call as the Case Manager.

I received this note from Earthjustice yesterday in regards to the Hawaii investigation. Based on schedules for the ADEM letter it would likely have to be pushed back until the 23rd or 24th. I am not sure if it is a good idea to wait that long. Please let me know your thoughts.

Hi Brittany,

A health care provider on Kaua'i's west side, [Ex. 6 Personal Privacy (PP)] who's had experience with people who live there and have been exposed to drift, is willing to speak with EPA. [Ex. 6 Personal Privacy (PP)] is flexible Mondays and Tuesdays. Please let me know EPA's availability. Thanks.

Paul
